IT Professional | Frontend Developer | Passionate about Building Interactive Web Experiences

Aspiring Front-End Developer with a strong foundation in **HTML, CSS, JavaScript, TypeScript, and React.js**. Graduated from **Met Institute of Engineering, Nashik**, and completed a **Full Stack Web Development course** at **Matrix Zero One Systems, Pune**. Gained hands-on experience during a remote internship with **The Sparks Foundation**, working on real-world projects. Passionate about learning new technologies and building dynamic, user-friendly web applications. Seeking an opportunity to apply my skills and grow in a professional setting.

WORK EXPERIENCE

Oasis Infobyte   **07/2023 - 09/2023**
Web Development Intern

Developed and optimized **web applications** using modern front-end technologies.
Gained hands-on experience in **responsive design** and performance optimization.
Collaborated with developers and designers to improve project efficiency.

The Sparks Foundation   **02/2022 - 04/2022**

Designed and developed interactive web pages using HTML, CSS, and JavaScript. Worked on various projects to enhance development and debugging skills. Learned about API integration and version control with Git.
Web Development Intern
